Department Webpage: <https://www.snow.edu/art>

Snow College Department of Art + Architecture offers a dynamic curriculum designed to provide students with a holistic understanding of the principles that create the visual world around us. We place emphasis on teaching the fundamentals of design and visualization, development of creative and critical thinking skills, understanding historical context, and the exploration of media. Students who study art and architecture at Snow College will be exceptionally prepared for future endeavors as makers in a demanding creative industry and architectural fields. We invite you to visualize, create, become.
