Department Webpage: <https://www.snow.edu/academics/humanities/communication/index.html> (<https://www.snow.edu/academics/humanities/communication/>)

Students who earn a Communication certificate/degree can expect to become more competent communicators professionally (e.g., for future employment), academically (e.g., at transfer institutions), and personally (e.g., with friends, family, and even romantic partners). Communication students have several career pathways they can pursue upon graduation, and they can also become involved with numerous other professional experiences.

## Department Degrees

- Communication, Associate of Science or Associate of Arts (<https://snow-next.courseleaf.com/programs/communication-as/>)
- Communication, Certificate (<https://snow-next.courseleaf.com/programs/communication-cer/>)
