

HEALTH AND BUSINESS PROFESSIONS

Chair: Erica Serrine

Phone: (435) 893-2290

Email: erica.serrine@snow.edu

Certificates in this professions group are dedicated to preparing students for careers in healthcare and business industries. Through hands-on training, experienced faculty, and industry-focused instruction, the unit offers a variety of certificate programs designed to meet workforce demands and support student success. Programs emphasize practical skills, professional development, and compassionate patient care, equipping graduates to enter the workforce with confidence.
