

SERVICES AND TRANSPORTATION PROFESSIONS

Chair: Amanda Wood

Phone: (435) 893-2208

Email: amanda.wood@snow.edu

Certificates in this unit provide students with hands-on training and industry-relevant skills in cosmetology and transportation services. Certificate programs are designed to prepare students for immediate employment through practical instruction, professional development, and real-world experience. Students gain the technical knowledge and confidence needed to succeed in diverse career pathways while learning in supportive, career-focused environments led by experienced instructors committed to student achievement and workforce readiness.
