Dean: Alan Hart, Director of Technical Programs

Phone: (435) 893-2250

Email: alan.hart@snow.edu

Division Webpage: <https://www.snow.edu/bat>

The Ralph Okerlund School of Technical Education offers a variety of skills-based certificates for career advancement. Students can also stack them to earn two- and four-year degrees. By focusing on relevant, hands-on experiences in a lab, shop, or work environment, students can be job ready in two years or less.

Profession Groups

- Advanced Manufacturing and Building Trades Professions (<https://snow-next.courseleaf.com/schools/technical-education/advanced-manufacturing/>)
- Health and Business Professions (<https://snow-next.courseleaf.com/schools/technical-education/health-business/>)
