

STUDENT FEES

In addition to tuition, student fees may be charged depending on a student's schedule. These charges are detailed below. General fees are assessed for campus infrastructure. Some courses also have fees attached to cover materials essential for student learning. Finally, some miscellaneous situations require nominal fees.

Electronic Textbook Charges

Some courses will have an inclusive access electronic textbook requirement for which a charge is applied to a student's individual account. For detailed information about these charges, students should contact the instructor of the course.

General Fees

Notes on General Fees

- Students taking fewer than six (6) credit hours do not pay full fees. Students in this category can participate in the activities funded by these fees by paying the full fee amount.
- After the day classes begin, general fees are not refunded.
- Fees subject to change without prior notice.
